paperback and ebook, £65.00) A great deal has changed since the last edition of this Bible for community care practitioners was published in 2011. First, the legislative framework has been consolidated and in significant parts amended by the Care Act 2014 (England), and the Social Services ...

Book Review: "Community Care and the Law" (6th edition ...

Care Act 2014 The Care Act 2014 modernises and consolidates the law on adult care in England into one statute and has been described as the biggest change to the law in 60 years. Key changes include the introduction of national eligibility criteria, a right to independent advocacy and, from 2016, a cap on care costs faced by self-funders.

Care Act 2014 - Community Care

Children Act 1989 While the protection of children from harm has always existed in legislation in some form throughout the 20th Century, the Children Act 1989 is seen as the first significant law which put in place most of the child protection structures and principles we use today.

Council criticised for not including visually impaired man's need for support to access the community as part of his care plan. Ombudsman highlights that, where there is an identified support need, there is a legal right to have help provided

Community care news and case law - Rightsnet

Community Care services are those provided by social services and the NHS to help adults, children and their carers with their care needs. This can include help at home, respite care, access to the community, travel assistance, residential care and adaptations to your home. The law in community care is used to challenge decisions made by local authorities and NHS trusts.

Duncan Lewis

As community care law practitioners we advise and represent a diverse range of the most vulnerable people in our community who need help from social services and/ or the NHS. Whether, and indeed how, any needs are met is subject to such a nebulous and complex mixture of statute and guidance that in 2009 the Law Commission condemned the current ...
