Travel lovers, buckle up and get ready to explore in KeeKee's Big Adventures in London, the 5th picture book in the award-winning KeeKee's Big Adventures series. Join KeeKee, the globe-trotting calico kitty, on her latest brilliant adventures in London. Along with her friend Willamb Sheepspare, she'll whisk readers through the majesty of England's capital city--from Big Ben to Buckingham Palace to a proper English tea. (Pass the scones, please!) Explorers big and small will have a jolly good time trying out fun British expressions, peeking into royal culture, and navigating London's beautiful streets on a double-decker bus. In the back of this brightly illustrated book, you'll find a kid-friendly guide map of London, a glossary of British terms, and more details on KeeKee's favorite places. It's the perfect getaway for kids and families who love travel, adventure and exploring the world around them. London was named to Kirkus Reviews' 2019 Top Indie Picture Books List. It has also received a 5-star Foreword Clarion Review, 5-star Readers' Favorite and Gold Mom's Choice Award.

Nothing will destroy, delay, or diminish a career like impatience. Yet millions of workers quit their jobs every month because they haven't gotten a promotion. It's natural to want to make the most out of one's career--after all, we spend more time working than any other activity in our busy lives. But the stark reality is that job-hopping in search of advancement and fulfillment may actually have the opposite effect. So what's the best way to "get promoted?" According to Rick Whitted, it's about outgrowing your space--making your current job bigger and bigger until management gives you a larger role and increased responsibilities. With a lifetime of experience and research to back him up, Whitted shows readers how to address those things inside of us that prevent career progression--things like self-entitlement, the desire to skip steps, and pride--and instead pursue excellence right where we are. Readers will be challenged to identify why they want a promotion, define for themselves what success really looks like, make lateral moves that position them for promotion later, be innovators in the role they perform right now, and much more. End-of-chapter discussion questions help readers immediately apply concepts to their own personal situation, and three practical 30-day checklists, also available at www.careerwhitt.com, help readers relaunch, redefine, or begin the process of outgrowing their current space.

"Crafting a Modern World examines a missing chapter in the history of mid-century modernism: the story of husband and wife design team Antonin and Noemi Raymond. This is the first comprehensive book in English on the duo that creatively transformed design from 1917 to 1966."--BOOK JACKET.
