The Bachelor of Education (B.Ed.) programme of Indira Gandhi National Open University (IGNOU) has been designed with the aim to develop an understanding of teaching-learning process at secondary and senior-secondary level among student teachers. It focuses on enabling student-teachers to reflect critically on perspectives of education and integrate holistically the theory and practices to facilitate active engagement of learners for knowledge creation. The present edition of "IGNOU B. Ed. Extreme exam 2020" book is prepared to provide perfect study material that is required to clear this entrance paper. This book provides Model Solved Papers of 2019 in the starting so as to give the estimate on what pattern the paper could come so that preparation could be done accordingly. The whole syllabus divided into 2 parts that is further divided into sections and chapters by giving the complete coverage of syllabus. Each segment is carries ample amount of practice questions for the best outcome in the exam. ABOUT THE BOOK Model Solved Paper 2019, PART - A: General English Comprehension, Logical & Analytical Reasoning Ability, Educational & General Awareness, Technical - Learning and The School, PART - B: Science, Mathematics, Social Science, English, Samanya Hindi.

The Ministry of Indian Railways has been conducting Computer Based Tests (CBT) for numerous vacancies year after year. This year too, it is committed to hold the CBT for all the notified vacancies and has been actively assessing the ground situation imposed due to the ongoing pandemic. Hence, it now proposes to commence 1st stage Online Computer Based Tests from 15th December, 2020 and necessary action has been initiated in this regard. This book is an endeavor of Oswaal Books to assist RRB NTPC aspirants prepare for and excel in this examination. It has been written to provide the aspirants well-conceptualized and structured practice material.

This study represents a first attempt of providing a comprehensive quantification of educational outcomes in the Caribbean region. Its main objectives are: (a) to define a set of operationally relevant education indicators (b) to provide a database of comparable education indicators in Caribbean countries where data is available, namely Belize, Dominica, Dominican Republic, Grenada, Guyana, Jamaica, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines and Trinidad and Tobago and (c) to propose methods on how the common set of indicators can be used for analyses of the education sectors. This exercise is all the more important within the framework of the current Education For All (EFA) and Millenium Development Goals (MDGs) initiatives which require the identification and monitoring of relevant indicators to establish where the countries stand in relation to the target of universal primary education. After a systematic review of educational indicators in coverage, efficiency and quality which leads to specific recommendations on the type of indicator relevant to operational diagnostics of the education sectors, the study provides a detailed review of the Caribbean status in producing education indicators and demonstrates how a new database can be used to depict where the education sectors stand. Building on these methods and findings, its final section presents a set of specific recommendations to the Caribbean countries on how to improve the diagnostics of their education sectors.
