Wings of Liberty, Species of StarCraft, StarCraft: Brood War professional competition, List of StarCraft media, Koprulu Sector, StarCraft: Ghost, StarCraft: The Board Game, Starleague, MBCgame Starleague, Heaven's Last Stand, StarCraft II: Heart of the Swarm, North American Star League, StarCraft Adventures. Excerpt: StarCraft II: Wings of Liberty is a military science fiction real-time strategy video game developed and released by Blizzard Entertainment for Microsoft Windows and Mac OS X. A sequel to the award-winning 1998 video game StarCraft and its expansions, the game was released worldwide on July 27, 2010. It is split into three installments: the base game with

the subtitle Wings of Liberty, and two upcoming expansion packs, Heart of the Swarm and Legacy of the Void. Set in the 26th century in a distant part of the Milky Way galaxy, the game revolves around three species: the Terrans, human exiles from Earth; the Zerg, a super-species of assimilated life forms; and the Protoss, a technologically advanced species with vast mental powers. Wings of Liberty focuses on the Terrans, while the expansions Heart of the Swarm and Legacy of the Void will focus on the Zerg and Protoss, respectively. The game is set four years after the events of 1998's StarCraft: Brood War, and follows the exploits of Jim Raynor as he leads an insurgent group against

the autocratic Terran Dominion. The game includes both new and returning characters and locations from the original game. The game was met with very positive reviews from critics, receiving an aggregated score of 93% from Metacritic. Similar to its predecessor, StarCraft II was praised for its engaging gameplay, as well as its introduction of new features and improved storytelling. The game was criticized for lacking features that existed in the original...

Humanity pushed its way to the stars - and encountered the Gbaba, a ruthless alien race that nearly wiped us out. Earth and her colonies are now smoldering ruins, and the few survivors have

fled to distant, Earth-like Safehold, to try to rebuild. But the Gbaba can detect the emissions of an industrial civilization, so the human rulers of Safehold have taken extraordinary measures: with mind control and hidden high technology, they've built a religion in which every Safeholdian believes, a religion designed to keep Safehold society medieval forever. 800 years pass. In a hidden chamber on Safehold, an android from the far human past awakens. This "rebirth" was set in motion centuries before, by a faction that opposed shackling humanity with a concocted religion. Via automated recordings, "Nimue" - or, rather, the android with the memories of Lieutenant Commander Nimue

Alban - is told her fate: she will emerge into Safeholdian society, suitably disguised, and begin the process of provoking the technological progress which the Church of God Awaiting has worked for centuries to prevent. Nothing about this will be easy. To better deal with a medieval society, "Nimue" takes a new gender and a new name, "Merlin." His formidable powers and access to caches of hidden high technology will need to be carefully concealed. And he'll need to find a base of operations, a Safeholdian country that's just a little more freewheeling, a little less orthodox, a little more open to the new. And thus Merlin comes to Charis, a mid-sized kingdom with a talent for naval

warfare. He plans to make the acquaintance of King Haarahld and Crown Prince Cayleb, and maybe, just maybe, kick off a new era of invention. Which is bound to draw the attention of the Church...and, inevitably, lead to war. It's going to be a long, long process. And David Weber's epic *Off Armageddon Reef* is can't-miss sci-fi. *Safehold Series* 1. *Off Armageddon Reef* 2. *By Schism Rent Asunder* 3. *By Heresies Distressed* 4. *A Mighty Fortress* 5. *How Firm A Foundation* 6. *Midst Toil and Tribulation* 7. *Like A Mighty Army* 8. *Hell's Foundations* 9. *At the Sign of Triumph* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As voters articulate their judgments of the parties and leaders in their fifth democratic election, Election 2014 South Africa: The Campaigns, Results & Future Prospects provides a platform for in-depth discussion and analysis of party campaigns, voting patterns, and election results of the 2014 general elections. Following the tradition of previous volumes that cover South Africa's national and provincial elections since 1994, this book draws on the expertise of renowned authors to cover important aspects of the election, including the major political party campaigns, the media's coverage of the campaigns, the latest trends in political participation

and party fortunes, gender dynamics, the black middle class, as well as insights into the voter and public opinion on the eve of the election. Readers are presented with more than a mere study of a single election; they are also presented with a contemporary understanding of electoral politics and democracy in South Africa over two democratic decades and reflections on how elections strengthen the quality and prospects for democracy.
