Three new chapters focus on the latest test content, including interviewing, estate planning and probate, and tort law. New examples, outlines, practice tests, and testing tips help refine your skills for certification testing and career success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With complete coverage of the ethical principles that inform the role of the paralegal, Ethics and Professional Responsibility for Paralegals, Eighth Edition is ideal for use as either a primary course book, or a supplementary text. An authoritative presentation combined with clear and readable pedagogy enriches all levels of inquiry into the ethics of legal practice. Key Benefits: Comprehensive coverage of the professional responsibilities of paralegals, illuminated with chapter overviews, key terms, and a student-friendly organization. Discussion questions with hypotheticals and review questions in each chapter. Landmark cases, many involving paralegals, that demonstrate how the principles and rules of ethics are applied. Updated ethics opinions, with a focus on technology and social media, supported by new hypotheticals. Expanded coverage of how technology is affecting various aspects of ethics and practice, including confidentiality and privilege, competence, conflicts of interest and advertising. Many new cases including: State Bar v. Lang (unauthorized practice of law), Committee v. JPMorgan Chase (competence), Lola v. Skadden (professionalism), Pension Committee v. Banc of America Securities (advocacy), and McDermott v. Superior Court (confidentiality).

Focusing on how computers can make paralegals and legal professionals more productive on the job, this bestselling guide offers comprehensive coverage of computer concepts, exploring the latest versions of common programs like Microsoft Word, Excel, and PowerPoint, as well as specialized applications including CaseMap, Clio, HotDocs, TimeMap, and TrialDirector. With a clear and engaging writing style, real-life examples, helpful tutorials, ethical considerations, and up-to-date coverage of the most popular software used in all types of legal organizations, this proven resource helps readers develop the knowledge and skills they need for career success. Detailed Hands-on Exercises allow students to apply what they learn and practice using computers to complete realistic legal work. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." –Kevin Kwan, author of Crazy Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.
