*To Kill the President: The
(Maggie Costello, #3) by Sam
Bourne*

The book's protagonist, Maggie Costello is an experienced White House staffer who discovers the plot to kill the President. She faces the moral dilemma of choosing action that may leave the country in the hands of an increasingly insane President versus committing treason against her country. The ending is most surprising! (No spoilers here.)

Assassination attempts and plots on the president of the United States have been numerous, ranging from the early 19th century to the 2010s. More than 30 attempts to kill an incumbent or former president, or a president-elect have been made since the early 19th century. Four sitting presidents have been killed: Abraham Lincoln (1865), James A. Garfield (1881), William McKinley (1901), and John ...
