Saad Saad, Espoir Espoir en arabe, fuit Bagdad et souhaite regagner l'Europe, mais la difficulté de passer les frontières rend son voyage compliqué. Son périple dans le monde contemporain rappelle celui d'Ulysse, premier voyageur à affronter une série d'obstacles. En filigrane, l'auteur pose des questions sur les frontières et l'identité.

Saad, jeune Irakien, quitte son pays natal en plein chaos pour rejoindre l'Angleterre, synonyme d'avenir et de liberté. Tel un Ulysse des temps modernes, il se lance dans une odyssée au cours de laquelle il affrontera tempêtes, naufrages et désillusions, mais restera toujours porté par l'espoir. Cette épopée moderne, aux niveaux de langue multiples et riche de références à L'Odyssee d'Homère, parvient à mêler drame et légèreté sur un thème pourtant douloureux : le déracinement et la clandestinité. Ce très beau texte permettra ainsi aux élèves de mieux comprendre ce sujet d'une actualité vibrante qui ne peut laisser personne indifférent. L'appareil pédagogique complet est suivi d'une interview exclusive d'Eric-Emmanuel Schmitt.

« Je m'appelle Saad Saad, ce qui signifie en arabe Espoir Espoir et en anglais Triste Triste. » Saad veut quitter Bagdad, son chaos, pour gagner l'Europe, la liberté, un avenir. Mais comment franchir les frontières sans un dinar en poche ? Comment, tel Ulysse, affronter les tempêtes, survivre aux naufrages, échapper aux trafiquants d'opium, ignorer le chant des sirènes devenues rockeuses, se soustraire à la cruauté d'un géôlier cyclopéen ou s'arracher aux enchantements amoureux d'une Calypso sicilienne ? Tour à tour violent, bouffon, tragique, le voyage sans retour de Saad commence. D'aventures en tribulations, rythmé par les conversations avec un père tendre et inoubliable, ce roman narre l'exode d'un de ces millions d'hommes qui, aujourd'hui, cherchent une place sur la terre : un clandestin.Conteur captivant, témoin fraternel, Eric-Emmanuel Schmitt livre une épopée picaresque de notre temps et interroge la condition humaine. Les frontières sont-elles le bastion de nos identités ou le dernier rempart de nos illusions ?

Itinéraire difficileux d'un Irakien qui cherche, en clandestinité, à quitter son pays pour recouvrer la liberté et son avenir. [SDM].

This book draws an updated Euro-American conceptual map, starting from a limited number of strategic terms whose meanings today are judged univocal and permanent, while in fact daily use has turned them into "common sense", depriving them of their ambiguity – an original feature of language, particularly relevant when it comes to literary use. By re-examining the proper noun for each of the selected notions, the contributors' common intent is to shed light on their polysemous nature and linguistic fluidity, in spite of the common tendency towards simplification and homogeneity imposed by hegemonic cultural paradigms. Along this line, the book explores the great divides between identity and otherness (or common or alien) in order to recover a sense of cultural identity which is at once polymorphous and polyphonic.

Rebecca James unveils a chilling modern gothic novel of a family consumed by the shadows and secrets of its past in The Woman in the Mirror. For more than two centuries, Winterbourne Hall has stood atop a bluff overseeing the English countryside of Cornwall and the sea beyond. Enshrouded by fog and enveloped by howling winds, the imposing edifice casts a darkness over the town. In 1947, Londoner Alice Miller accepts a post as governess at Winterbourne, looking after twin children Constance and Edmund for their widower father, Captain Jonathan de Grey. Falling under the de Greys' spell, Alice believes the family will heal her own past sorrows. But then the twins' adoration becomes deceitful and taunting. Their father, ever distant, turns spiteful and cruel. The manor itself seems to lash out. Alice finds her surroundings subtly altered, her air slightly chilled. Something malicious resents her presence, something clouding her senses and threatening her very sanity. In present day New York, art gallery curator Rachel Wright has learned she is a descendant of the de Greys and heir to Winterbourne. Adopted as an infant, she never knew her birth parents or her lineage. At long last, Rachel will find answers to questions about her identity that have haunted her entire life. But what she finds in Cornwall is a devastating tragic legacy that has afflicted generations of de Greys. A legacy borne from greed and deceit, twisted by madness, and suffused with unrequited love and unequivocal rage. There is only one true mistress of Winterbourne. She will not tolerate any woman who dares to cross its threshold and call it home. Those who do will only find a reflection of their own wicked sins and an inherited vengeance.
