Vocational Rehabilitation: Better Va Management Needed to ...

Vocational rehabilitation varies greatly between countries. However, it generally focuses on improvements to the socialisation, healthcare and physical and mental wellbeing of the person receiving the services. People eligible for vocational rehabilitation generally include those with long-term sicknesses, mental health disorders, common health problems and severe medical conditions.

Vocational rehabilitation - Wikipedia

The Consumer Vocational Rehabilitation (VR) program helps people with disabilities get ready for, find, and keep a job. It helps to increase their ability to live independently in their communities. The Consumer VR program works with individuals with every type of disability.
